To see the full list of events please check [here](#).

Austrian Anti-Racism Days (March 14th to 23rd, 2024)

In 1966, the United Nations declared March 21st International Day Against Racism. This day has been preceded for many years from March 14th by the Week Against Racism, which is celebrated in several countries with numerous events. In Austria, anti-racism days in this form will take place for the first time in 2024.

To check out all the events taking place in Austria during this time click [here](#).
